For any in-person rehearsals:

- Your temperature will be taken with a touchless thermometer before you enter the rehearsal/performance space. If it is shown you have a fever, we will have to reschedule or recast your part. If you have experienced any other symptoms of COVID-19 we will have to reschedule or recast your part. This is non-negotiable and we apologize in advance should it occur.

When in person we need you to:

- Wear a mask. If you forget, a limited number of masks will be available.

- Only when you are performing will you be able to take off your mask.
- Please practice social distancing with the crew.
- Please use appointed hand sanitizer upon entering rehearsals.
- Please bring your own water and label it clearly with your name.
- If possible, please leave jackets or anything extra in the car.
- If you are a front-line worker, please change your clothes before you come to rehearsals or performances.
- Please avoid bringing anyone along with you when rehearsing unless they are part of the cast or crew supporting the production.
